Dorset Button Studio Workshop

My Dorset Button workshops can be individually designed to cover your own interest.

You may be a beginner and want to learn how to make a Dorset thread button or already know how to make Dorset Buttons but want to extend your skills. Why not try your hand at making other traditional buttons such as High Tops, Dorset Knobs, Birdseyes or Singleton buttons. You can extend your skills to contemporary patterns such as the daisy and spiral patterns or bouquet and tree buttons as well as the using beads in buttons.

Workshop numbers and fees

Workshops for up to and no more than four participants are £30.00 each for a half day and £55.00 for a full day and include all materials, instructions and refreshments together with a complimentary 'goodie bag' designed for each workshop.

Half day workshops last for up to three hours and a full day workshops for up to six hours with time to eat your lunch. For full day workshops please bring your own packed lunch. If you are a beginner I have found that it takes a half day to learn how to make a Dorset Button using the most popular design known as the Cartwheel.

In addition I can arrange exclusive one to one workshops at £60 for a half day and £110 for a full day both include refreshments and a complimentary 'goodie bag'. Please bring your own packed lunch if you are staying for a whole day.

How to book?

If you are interested in arranging a booking and/or want to discuss what you would like to cover email me at dorsetbuttons@henrysbuttontons.co.uk
